

## Monica Lynn "Mo" Perez

August 17, 1971 - October 2, 1999

Monica Lynn was born August 17, 1971 in Granada Hills, Ca. She passed on October 2, 1999 in her home, surrounded by her friends and family. Monica was beautiful on the inside and out. She touched everybody's life in a special way. She was an amazing mother, a loving wife, daughter, sister, aunt and friend. Every little thing about her is missed every single day. Her smile, her laugh, her cooking and so many other things. What we would all do just to be able to rub her feet again :). She is loved by everyone she knew. Even those who didn't have the chance to meet her. She had the most beautiful service that most of us have ever seen. Her service took place at the San Fernando Mission Rey and she was taken to her final resting place, in San Fernando Mission Cemetery, by a beautiful horse drawn carriage. Mommy, we all miss you so very much, but we are also happy that you are no longer suffering. We love you and can't wait to one day see you again.

“ Dear Monica:

Everyday is a different day with out you, most important is that there is not one day that I have ever forgotten all of the memories that i have visions, fun memories, sad memories, and all the memories I can remember when you were a baby, your childhood, as a teenager thru the birth of your only child "Bianca Lynn" we are very proud of her and love her as much as we loved you. You will never be forgotten and I will always laugh at all of the crazy stuff we did within all of us as a family did together, and there are too many to say to you as i sit next to you!

Love you and forever my lil sister, I love you Moe forever and pray someday we will be with each other again thru eternity!

\*\*\*\*Your sister Jennifer\*\*\*\*

“ Our beautiful memories of my precious neighbor will forever live in our hearts forever. I blow her a kiss or a good morning wave as I drive by the Mision. Looking forward to seeing you again my dear friend so we could giggle together over the silliest things. Miss you dearly xoxo
