“ Very sorry to hear for your loss. Ernie was an absolutely wonderful man and a great and highly ethical lawyer which is kind of hard to come by these days. I share in your loss.

“ Dear Ernie- We will miss hearing your stories about being served "inedible, tough" tamales for the first time by Yolie's family. (Of note is that you didn't know to remove the husk!) And how you had to corral the wayward neighbor who lived in our house before us. Or Susie's call for help when she just knew a man was hiding in her attic. So many wonderful memories be it in the backyard, the dining table or the mountains. I will think of you when I see a big black Ford truck that has the rattling hum of a diesel engine. Until all friends, family and neighbors are once again reunited, soar the heavens. Most fondly, Costas and Shawn

“ Ernie and I were classmates at Niobrara County High School in Lusk, Wyoming, graduating with the Class of 1957. Many fond memories of our school years together live on, profoundly cherished from that long-ago time. Ernie shared, along with a several other friends from our class, a love of camping, hunting and exploring in the hills, prairies and woodlands that abounded in the isolated, high-plains environs of Niobrara County and surrounding areas of eastern Wyoming. Memories of many hiking, hunting and fishing expeditions abide. Particularly memorable were overnight camping trips on Rawhide Buttes south of Lusk, duck-hunting forays on the Platte River near Torrington, WY, and several expeditions to Laramie Peak south of Douglas, WY. Ernie was an avid basketball player, and memories of many cold winter days playing basketball at the old Lusk High School gym, and Niobrara County

Fairgrounds gym endure. Rest well, good friend!

“ I will particularly miss seeing you on your early morning walks. I would be filling bird feeders and we would always take a moment to chat as you walked past our home. We know how much you love the Valley. We will miss the time spent at your cabin enjoying Yolie's cooking and the company of friends. Rest in Peace our dear friend. Wishing love and peace to Yolie and family.

“ I tried to send this earlier - I apologize if it is a repeat message. Our Elementary School friends have many fond memories of our class of 6 in our tiny little Wyoming town of Manville. I have always remembered that our birthdays are only 4 days apart. We were so proud of Ernie's accomplishments later as a basketball star in high school while also graduating as class Valedictorian. It was fun for me after moving to California to see him on the new occasionally when trying (and winning) a high profile crime case. I will always remember that when my Mother (a good friend of his Mother's) passed he called me and told me a very touching story about how my Father had assisted his family at an important time in his life. Last summer at our 60th class reunion we visited and I was so proud to be able to introduce my Grandson who also lives in Northridge. It's so hard to believe we are now saying goodbye to Ernie a few short months later. May your wonderful memories of Ernie fill your hearts and comfort you in this time of sorrow that so many classmates share. With love and prayers. Nadine Franklin and husband Reece
