“ Thank you for no matter what always making me laugh, always seeing things for what they were. Thank you for your unyielding support and advice. It's going to be hard to accept that you are not a phone call away. Who is going to tell me the latest not so funny jokes ? Who is going to tell me that my team the Eagles suck as if your Raiders and Colts don't !Over the last couple of months I learned that you are loved by so many people and that makes me happy. Although it hurts and seems so unfair that you are gone... i know you are in Heaven . See you later , te QUIERO . Besitos tu hija Astrid .

“ In 1990, Albert found me sitting in the garage one afternoon when I should've been in class. The reason I was ditching is not important. What is, is how Albert took care of me that day. Didn't ask any questions. I remember we went to Sizzler on Topanga & Roscoe. In that one afternoon, our relationship as Stepfather & Stepson began. I will never forget his patience & consideration that day.

Albert, in his way taught me a great deal. His words & advice throughout our time together will never be forgotten. Hopefully, will always be applied.

I love you Albert. Thank You for always being there for me even when I was not always there for you ~
