“ *It's the hardest and hurtful time for me knowing my grandmother Alice is gone. She was a very big part of my life growing up. She was a very strong, spiritual, family oriented, loving, encouraging, and supportive best grandmother and great grandmother I've known. I know she has been there for me and has given me the best advise anyone has ever given me. She loved her family, her grandkids, great grandkids and even her great-great grandkids. I love you grandma. Not to worry. We will take care of my grandpa. You are now home with our King in the beautiful heaven gates. We will see you soon. God Bless you and all of our family.*

*Love Always,
Ashley and kids*

“ Our deep condolences to the family. May our Heavenly Father be with you during this difficult times. May he comfort you and wrap his loving arms around you. Death is not the end, for Alice Medina is at the gates of resurrection. This is what Jesus said: For it is my Father's will that all who see his Son and believe in him should have eternal life. I will raise them up at the last day." -John 6:40. God bless you and be with you in the name of Jesus.
