“ *Still so very hard to believe you are gone.... Will never understand why this happened..... I know God only takes his best, but why so soon when we needed you the most? Wish you were still here on earth...seemed to take you for granted when you were here on earth, always knowing (so we thought) you would live forever with your positive spirit, laughter and gift of conversation.... Why? Why? Why? Will we ever get the answer to that question???? Miss you so very much, how do we go on??? guess it's day by day and knowing you are in a peaceful place with all your friends with you that makes me realize you are happy.*

“ Aunt Annie was such a special woman, it breaks my heart to hear of her passing. She was always so enthusiastic when we did get together. She'll be missed!

My deepest sympathy to my Uncle Manuel, and to my cousins Lenard, David, Danny, MaryAnn & Lisa. I know how hard it is to loose such a wonderful parent. May God give you the strength to help each other get through this time.

*Sincerely,
You Cousin,
Charlie*

“ Aunt Annie, you will truly be missed. I will miss our family BBQ's, with your good cooking (like Grandma) your spunky personality and kindness. We were all really getting close again and now your gone it's not fair but you are in GOD's hands now and with Grandma I know you two will be watching over us our guardian angels. Love and miss you Auntie.....
