“ *Rory you will be missed by all of us here. You were such an awesome neighbor and a beautiful person, not only on the outside, but also on the inside. Even though you were a little older than us, I still considered you a friend. I remember when you and your sisters used to babysit us. You were always so kind and nice with me and my siblings. Your friend and neighbor, Martha C. Guerra*

“ *If tears could build a stairway,  
and memories a lane.  
I would walk right up to Heaven  
and bring you back again.*

*No farewell words were spoken,  
No time to say "Goodbye".  
You were gone before I knew it,  
and only God knows why.*

*My heart still aches with sadness,  
and secret tears still flow.  
What it meant to love you -  
No one can ever know.*

*But now I know you want me  
to mourn for you no more;  
To remember all the happy times  
life still has much in store.*

*Since you'll never be forgotten,  
I pledge to you today~  
A hollowed place within my heart  
is where you'll always stay.*

“ *The last time saw Aurora was over twenty years ago at her home for Annette's birthday. She and Rudy was leading a Congo line and partying like it was 1999. She was one of the most gracious and warm hearted person I've ever met. Aurora may you rest and peace and keep that Congo line going up in heaven.  
God Bless!*

“ There are way too many memories to pick out just one. Mainly I feel her loving support. Her guidance of me as a young girl. I remember camping at lake Elsenor. Learning how to water ski for the first time.. Whole Costilla family would remember that. I did the shark !. I'll be there October 11. I
