“ To my Dearest Aunt who meant the world to me. I loved our heartfelt talks about past and present. She would always make me feel so loved especially after my mom passed away. She was definitely my second mom. I loved bringing her and her husband bill dinner and enough for left overs. Bev would get so tickled she didn't have to think about what was for dinner, and best of all she said, "she didn't have to cook it," ...lol. You will be dearly missed. Just a note that anyone who reads these messages...take a moment, close your eyes and remember your fondest memory of Beverly. Take that memory and tuck it away in your heart so you will never forget how special she was. I love you all my dear family, may God comfort you during this difficult time.
