“ Mom, you will always be in my heart. I love you, and miss you. I am so grateful to have been able to be with you for the last two months of your time here. It felt good to ease your suffering during that time. Cammy stayed constant with your medical appointments and medicine needs Butch prepared delicious healthy foods and snacks that tasted great, while I loved making cranberry juice pops for you. One day I was eating spicy tuna rolls in front of you. You begged me for some. I felt really bad for letting you see them, so I gave in, even though I thought that it wouldn't be the best idea but I did. The next few days were horrible. 😞 Sorry for that. Butch took care of you, and didn't get mad at me. We tried so hard to nurse you back to health, but we're not able. I have peace knowing that you were able to pass on knowing that we loved you, and that you knew without a shadow of doubt that your children were unified. You are now with our creator continuing on continuing on to fulfill your purpose. We all love you so much, and miss you. We look forward to seeing you again.
