“ *My greatest condolences to the Estrada family.*

Mr. Estrada was one of the most dedicated teachers I've had the pleasure of working with. He was creative, enthusiastic, funny, and most of all, caring. He was able to connect both with students and adults within the very short time we had him at East Valley High School. He used his creativity to engage even the least academic student, and always had a kind smile for everyone. East Valley High School has definitely lost an excellent teacher, but the world has lost a most wonderful human being. I know I will continue to remember Mr Estrada for all the great memories he left us with, and all the kindness he brought to all of us.

*Sincerely,
Patricia E.
