EP

“I met David as a kid at church, and right from the start, he was a solid friend. He was the kind of guy you could count on—always willing to lend a hand, no questions asked. We had some great times, whether we were gaming, exploring, or just hanging out, and he had a way of making even the simplest moments a good time. David was a gentle giant with a big heart, and his loyalty and friendship meant a lot to me. I’ll never forget those times, and I’ll carry his memory with me.”

“ *I never thought I'd be in a Lexus let alone drive one, Dave was a kind and generous man, he was an amazing son and a great friend, from the moment we met we became friends, my heart hurts as I write this but I take joy in the fact that I had the privilege of knowing him. Rest in Peace my brother.*
