Domingo Rocha Chavez

February 10, 1939 - May 24, 2013

Born in Mexico. Resident of San Fernando, California.

Domingo leaves behind his loving wife of 50 years, Graciela Chavez, children: Victor Chavez, Samuel Chavez, Monica Ortiz, Carlos Chavez, Claudia Perez, Jose Chavez, Carmen Alfaro and 13 grandchildren.

A prayer for Domingo Chavez:

"Heavenly Father, we come together as a family to ask that you protect our Dad Domingo, as he is making his way home to meet you.

I know that your glory will glorify and guide his path. I know that it is hard for us to understand death. But, if we could only see what awaits us in heaven, our hearts would be at peace.

Jesus you are our creator, you already know what we need, and what we could do without. Thank you for protecting our family during our Dads battle with the terrible illness of cancer.

We ask that you will protect my Mother Graciela. Give her the guidance she will need, as she faces some hard times ahead. Let Victor, Samuel, Joel, Monica, Carlos, Claudia, Jose, and Carmen be full of love, Let us come together in understanding, and peace. Let our children Joanna, Geovanny, Sebrina, Steven, Natalie, Vanessa, Anthony, Lorenzo, Hannah, Savannah, Vincent, and Dominic, be full of love and compassion for their parents, as we move on to see your glory come to pass. Let them look out for one another, and always have the respect that is needed.

Father as we say goodbye to an amazing man, heal our hearts, protect our minds, keep us grounded. Let each one of us use kind words, and love one another. In Jesus name we pray...AMEN!"

“ *Carlos, Lupe, Hannah & Chavez family. My heartfelt sympathy goes out to you at this time. I did not personally know Mr. Chavez, but through Lupe and Carlos I did get some knowledge of him. He was a very loving father, grandfather and husband. May God comfort you and may you hold all of your memories of him in your hearts.*

Blessings, Becky
