

Donald R. Martin

September 22, 1924 - September 18, 2022

Family & friends, it is with a heavy heart & great sadness that I am sharing the news that our Grampy, Donald R. Martin, has passed away Sunday, 09/18/2022.

Grampy was 97 years young, only days away from turning 98. He was a WWII B-17 pilot and he continued his love & passion for airplanes as a member of the Blacksheep Squadron flying club & the President of The O.F.F.C. model airplane club.

There is so much I could say about Grampy, but if you knew him, you just knew!! Grampy will be missed, but always loved & remembered — He is taking his eternal flight in the big blue sky.

XOXO
