“ A woman who loved her Family through blood or friendship Dorothy was and always will be a Mother and Grandmother to us, Always there with hugs, smiles, that look when you did a no-no in front of her and loud cheers at games for her grand kids who ever might be playing at the time. Who gave advice to make things clear for those confusing times. Never was one to put down or talk down to others just gave the warmth from her heart to all those who needed it at the right time. We will miss her her guidance and influence her smiles and embraces but Dorothy will always live on in our hearts forever.

We love you always,
