“ Mom I still wake up and can't believe you've left us to go to a much more beautiful place but it leaves me with an empty heart. You were one of a kind, so many wonderful qualities, thanks for sharing those with me throughout my life. I truly learned by a good example and for that I'll always be grateful. Tomorrow will be 2 months and I don't miss a day picking up the phone to call you. Just one more conversation with you is all I could ask for. Thank you for the best 58 years of my life, having a mother like you is not too common these days, but you and I we just had the kind of relationship I wish for all daughters I will continue missing you every waking moment but know in my heart your with your loved ones and mostly your with David who you missed everyday after he left us. You were never the same, that hole in your heart could never be filled, I hope it's filled today because you deserve only the best. You gave me the kind of love I am so grateful for, RIP mom I keep in my heart that someday we will be together again. Thank you for being the best kind of mother there is!!! I love you!

“ I loved Joanie as my surrogate mother while I lived 3,000 miles away from my own Mom. Such a loving, generous, sincerely caring human being who always made me feel very, very special. So many people will miss you. I'll see you in Heaven, as you were an angel upon this earth.

“ It had been many years since I last saw Joan, but I remember her respectfully as "Mrs. Myers " - the sweet, kind, hard working mother to my best friend Tammi in what was a memorable childhood. She was a warm, lovely woman with a great smile and an infectious laugh. I am deeply saddened to know she has passed for she surely was a light in this world and in the lives of all who knew her ? RIP Joan

“ She was the "mom of the block" and will be truly missed! At least she will be with David, and they both will be free from the ailments they suffered while on earth.

“ Tammi, Greg, Sue, I'm so sorry for your loss. Joaney was such a special person and all I have is great memories of her. She was the most caring, loving, genuinely sweetheart of a person that to this day, I'd ever met. I feel blessed to have had her as my aunt. She is the kind of good person that we should all try to be. She will be missed by all that knew her. Heaven just became an even happier place to be, with Aunt Joaney there. RIP Joaney, I love you.

“ I was deeply sad to her about the passing of your mom. I'm glad I was able to meet her. She was so sweet and nice to me and my grandkids I know she enjoyed having the kids over to swim this past summer.
