“ Dear Nana Guring,

*We will miss you. I honestly never thought that I would see a world that did not have you in it. I always thought you would always be here, just a call or a quick drive away. We may not see each other often, but I had the sense of comfort that you are always close by.*

*We will really miss you. Your no-nonsense-straight talk, your sense of humor, your "saltiness," your fashion style, you calling me to chicka in the middle of a work day, your independence and self-reliance, your helpfulness, your care for others. Most of all, your love for all of us and your generosity. You always had pasalubongs for us - yung Chinese food you would always bring for us (especially the buchi which was Belay's favorite), yung dog food and treats that you would always bring for Rocky, yung holiday Costco chocolate wafers (na favorite ni Peter), yung nuts na favorite nila Nanay, yung annoying yet funny flower birthday candles..*

*I will miss you very much. Especially how much you cared for us - I remember how you would come to our house to bring food or treats kapag nalaman mo na may sakit ang isa sa amin. And kahit nagretire ka na, you still find ways to bring us gifts and pasalubongs.. But most of all, I will miss our chikahan..I will really miss those..*

*We are sad that you are no longer with us, but we are relieved. You are no longer in pain, no longer alone. You don't have to worry about the many things you used to worry about.*

*Look over us, Nana Guring. And rest well. Rest in Jesus' arms..*

*We will miss you,  
- Neneng, Jonjon, Belay, Peter and Rocky*
