“ *Aunt Hilda was such a sweet, caring and wonderful lady. There were many times in the past that she'd spend a few days with us. Over July 4th we'd watch the amazing fireworks at Castaic Lake which she really liked. At Christmas we'd go see the beautiful lights in Griffith Park and in Santa Clarita and she said she really enjoyed them. I'll always remember her special cereal treat that she made at gave us at Christmas. WE had many wonderful conversations over the years and special times Jimmy and I are so fortunate to have spent with her. We'll miss her so much, but will cherish all our special memories of her. RIP Aunt Hilda.*
