“ Javier's love for his family was unparalleled. His adoration for his mother was a guiding force in his life, and the bond he shared with his dad and siblings was unbreakable. He cherished his nieces and nephews, beaming with pride at their every achievement. Family meant everything to Javier.

One of Javier's most cherished qualities was his infectious sense of humor. He was always ready with a witty remark or a playful joke. His laughter was contagious. :)

To know Javier was to experience his playful and silly nature firsthand. He approached life with a zest for fun, never taking himself too seriously. His spontaneity and enthusiasm made every adventure memorable. Like the time we went and bought an old porsche on a whim.

Javis , you will be deeply missed, but your spirit will live on in the hearts of those you touched. May you rest in peace, surrounded by the love that you so freely gave. Love, Maya
