

John Maldonado Duarte

June 10, 1937 - October 24, 2019

John was born at home on June 10, 1937 in San Fernando, California and passed at his home in Palmdale, California on October 24, 2019 surrounded by his loved ones.

John was married to Lupe (deceased) Duarte for 47 years but in-love for many more years. John loved to serenade Lupe and dance with her every chance he got. He was a man of few words but a man with a profound amount of love. He enjoyed listening to music, watching sports, his yearly trips to the Play Boy Jazz Festival and attending every family function.

John was blessed to have five daughters; Maria Mendez, Esther Omolafe, Dena Meugniot, Josie Meugniot and Veronica Duarte; one son, John Duarte Jr.; five grandchildren, Angelina Alvarez, Daniel Alvarez, Brett Meugniot and Jordan Brouillette (deceased) and Shauna Duarte; and four great-grandchildren, Nathan Alvarez, Alyssa Weinreb, Alexis Alvarez and Koree Alvarez.

“ *Love💕Love💕Love💕to all who had my father in their thoughts and prayers , from the bottom of his children's hearts and souls THANK YOU SO MUCH it was wonderful to see and hear the love and respect for are pops . I'm proud to say I never had an argument with my dad (I know he loved me he knew I loved him) we always greet each other the same way from the time I was one years old to now. The only difference is as we got older are beer bellies would hit first like a couple of Mexicans sumo wrestlers and then we have to bend over our bellies to kiss each other on the cheek to finish the greeting . I love the decades of memory, the family attacking my dad to say hi and watch the love show. I am blessed and grateful to be born into the this huuuge wonderful crazy loving family. I'm blessed to have my two moms, seven sisters, one wife ,1 girlfriend, jk, my nieces and nephews, and my beautifull daughter Shauna who has the true Duarte heart because she always call her dad before coming over" Dad you need me to bring any beer or anything" and YES we do the same greeting me and my pops always did. To my family I love you I love you I love you . From his loving greatful son Johnny*

“ To my godfather John.....we have had endless laughter throughout the years and I am glad of all the good times I was able to share with you throughout the yrs. You were the only father figure the Garcia children ever knew and I thank you for all the wisdom and fun that you instilled with us always. I will always cherish your smile, your heart, and especially the love and devotion that you always showed to us even after the passing of our mother. Forever you will remain in my heart I love you Pops....till we meet again

“ Uncle Johnny, a kind hearted soul of a man who I met some 15 years ago, I was always considered an outsider, but when I used to see Johnny I would try shaking his hand and he would say mijo, I'm a hugger, lol, when I first became a dad Uncle John would always say where are those 2 beauties of yours everytime he saw me, and refused to give me a beer until he saw and hugged them both, his words of advice to me "who cares what people think of you, raise your family the right way, and your girls into beautiful people who will make a difference, ". To me in Uncle Johnny was a unique man with a beautiful heart, a beautiful soul and most of very genuine person who filled the room with laughter and smiles, I guess Tia Lupe finally got tired of missing him and God has taken him home to her, to my Tia Esther, my cousin Lina, and my baby cousin Alyssa I love you guys with all my heart, love always Robert Miles
