Joseph Robert Biafora
September 8, 1920 - March 30, 2014
Ft. Lt. Retired Army,
San Fernando Valley Attorney,
CEO Valley Federal Savings and Loan,
Senior Citizen's HUD Builder,
World War II Purple Heart Recipient.

Retired First Lt. Joseph R. Biafora was a World War II Purple Heart recipient with the U.S. Army. He was a prominent San Fernando Valley, CA, attorney; past San Fernando Valley Bar Association president; and senior citizen housing developer.

"Joe" Biafora was an avid West Virginia Mountaineers, Dodgers, Pirates and Steelers fan. He was also an avid golfer. His friends called him "Flipper" because he was a great golf chipper.

He graduated from West Virginia University and completed one year of law school when World War II was upon us. He enlisted in the Army and was a First Lieutenant Infantry Officer. He fought in the European Theater and was severely wounded in the Battle of Monte Cassino. In 1944, he was honorably discharged.

He married his wife, Stefi Poluck, of Fairmont, whom he met at a USO dance. He came to California to deliver a fallen comrade's letter to his mother and never left. His mother encouraged Joe to finish his law school career at USC, because all of the law schools during the war were closed. He graduated from USC School of Law in 1946.

He became one of the first practicing lawyers in Reseda, CA: He has a thriving practice —Biafora and Weiner — and retired in 1994.

He was a CEO of Valley Federal and Saving & Loan; president of the Lion's Club; and many organizations. He was a strong supporter of the Wounded Veterans of Foreign Wars.

He endowed several scholarships at WVU for sons and daughters of miners, and in the names of his parents, his grandchildren and students of political science.

He had several dedicated ... [READ MORE](#) →Joseph Robert Biafora

“ *While I never met Mr. Biafora, I have been very fortunate to meet one of his daughters. While he served our country with honor and dignity, Mr Biafora instilled character, love, and generosity in others as well as his family and it shows and lives on in Ruth Biafora, my new friend.*

“ Ok in the Spring of 1972 I called Diane to see if she could give me a ride home from the San Fernando Valley after hitch hiking down from Portland, Oregon. Joe answered the telephone. It must have been early since he seemed a little upset. So I wrote him a note.....A promise I would not keep since he was a great man.Antonio J.
