“ I met Lydia in high school. Just a great friend and club sister. We had a great time in high school. Going to socials, parties, dances and playing sports at the CYO together with all our club sisters often in her parents station wagon. She was always smiling and fun to be with. We continued our friendship after high school and became related when I married her cousin. We will miss you Lydia. RIP.

“ Lydia was always sweet and kind to everyone. Got to spend time with her exploring Seattle. This trip was a blast and full of fond memories of just how much fun Lydia could be. She has returned home to our heavenly father. She leaves broken hearts and will not be forgotten. May she rest in peace.
