“ *Dear Margaret, we know God welcomed you with a giant hug and now you are skipping around heaven without pain. I hope you find a flower group to help and make sure the Pope knows you have arrived, he probably will be delighted to see the beauty that had her picture taken with him. We apologize ahead of time, but you know we need you to do a few things for us mortals left behind. So, take some time to get moved in, but be expecting our calls, we will be in touch often! You were a wonderful Mom, everyone said so and I think you knew it; I could see it I your eyes and hear it in your laugh! My Mom's name is Margaret also, you two will have some good times together.*

*Your life was precious, every minute, and thank you for being such an example of how to enjoy family and good times! You have been an inspiration. I promise to take care of Joanie, I think she is one of your best works! I know she treasured you and enjoyed every minute spent with you, what a tribute to you.*

*We love you and will listen for your voice answering our prayers,  
God Blessed You!*

*Love, Katie*
