“ *My Dear friend, I will miss you. I regret not having known you so very long. In our short encounter I grew to know you as a loving, caring person and very knowledgeable. May you rest in peace, until we meet again paradise.*

“ Margo was the dearest friend to so many, so kind, generous, loving, forgiving and full of wisdom. She was a wonderful cook and hostess. We had many great meals and fun card games together. When I was in California and Steve in Oregon for a time, she and Doug welcomed me in their home on weekends so I wouldn't be alone. It was a hard time for me, and they were so generous and kind to me. I'll never forget their kindness, they are my family. I loved Margo and my heart is broken. My condolences go out to the family and prayers for God's peace and comfort. Love, Brenda

“ *Dearest Cousin Margs, With great sadness in your passing, there is great love in many memories with you. As leader of meetings at our cousins luncheons, you handled everything with grace, warmth, a smile, great note taking, fun themes and delicious recipes. I am also so grateful for... our families trip to Canada, Aunt Romey's fashion show, craft days with our children when they were little, GAM picnics and Christmas Eve's at your parents to share holiday cheer. With your laugh and special gestures, you made everyone feel welcome, loved and supported. You will be beyond missed, your spirit and beautiful ways never forgotten, with love, cousin Pat (Patrice)*

“ *Prima, I know you're up there watching over us but I wish you were still here. I will always treasure our many talks & many laughs of several hours that we had in person & on the phone (even when Doug would ask if your ears hurt yet & you would say 'Oh Douglas, shush'! 🙄 I know you're in a better place now, no more suffering & are happily reunited w/your parents & other family members. You have a big heart filled with kindness, compassion, love & generosity. You're in my thoughts & heart now and always. Love you Prima ❤️🤔😊. Rita*

“ Margo, I know you will see this in your new, eternal life, up yonder. We miss you already and want to hear your voice and laughter. You were a part of the older cousin group so, I, was only allowed to observe you, and my elder siblings. Your sister, Monica, and I were Junior observers to the teenage etiquette for schooling, dressing and dating... May God continue to bless you and hold you in His arms, always.
