

## Mark A. Watson

November 5, 1962 - January 30, 2025

Mark was born to Dorthia Robinson and Robert Watson on November 5, 1962. Mark was a twin to Michael Anthony Watson who passed away at the age of eleven. He leaves behind two siblings, Sheila and Donald.

In 1983 Mark met his departed wife, Denise. They had three daughters together: Rebecca, Heather, and Rachel. They had eight wonderful grandchildren: Anthony, Andrew, Ruby, Alexander, Arabella, Xavier, Giovanni, and Sebastian.

Mark truly prioritized his family in every way. His grandchildren were his pride and joy. He made sure they knew how much he loved them. During his recent medical battle, the one thing he kept saying was "I can't leave my grandchildren." His presence in all our lives was something he knew was so special and dear to us all.

Mark was an amazing man who enjoyed riding his motorcycle and taking road trips to Utah to visit his sister and her family. He loved paintball and to teach his children how to play, even if it meant shooting them in the leg! Have you ever seen a match burn twice was one of his favorite jokes!

Our father Mark was an amazing man and will truly be missed. Time may pass, but not one day goes by that our dad isn't in our hearts. The day he died

is not just a date on the calendar, it was the day our existence changed forever.
