“ Mom, madre, mama hace un ano que te fuiste y duele como el primer dia, todavia recuerdo nuestra ultima despedida ... tu bendicion y tu sonrisa y yo prometiendote que volveria pronto, pero el 28 de Noviembre... un dia de atono te dormiste y al regresar me encotre con un silencio frio que duele, llevo la tristesa de tu ausencia con migo pero tambien tu presencia... la eh sentido en tiempos de soledad y dificiles , tu presente como la major madre del mundo. Gracias por todo tu amor. Te amo madre

“ Grandma , it's been a year since you've been gone and I still haven't found the strength to go to the cemetery to take you flowers and talk to you. I miss you very much . I miss your words when you would tell me Mejía todo Va estar bien Así es la vida . You would tell my boys to take care of your Mom she's my granddaughter. Love you so much granny ! And miss you

“ Mom a year has passed since you've been gone but the loss, the heartache and the sadness is still very real....like your presence in my daily life and thoughts. Everyday is so hard without you but the holidays are extra hard. I tell myself you are in a better place but I miss you. Love you Granny.

“ This is the song that I will always remember my mother by:

*"I'll be seeng you",
I'll be seeng you in all the old familiar places that this heart of mine
embraces all day and through.*

In that small cafe

The children's carousel

The chestnut trees, the wishing well

I'll be seeng you

In every lovely summers day

In everything that's light and gay

I'll always think of you that way

I'll find you in the morning sun

And when the night is new

I'll be looking at the moon

But I'll be seeng you

I'll be seeng you

In every lovely summers day

In everything that's light and gay

I'll always think of you that way

I'll find you in the morning sun

And when the night is new

I'll be looking at the moon

But I'll be seeng you

This song is by Sammy fain, and Irving kahal

*Please feel free to listen to the tune and sing it as you remember
mom, for that is what I'll always do.*

Mama, I'll be seeng you, Mamita Linda

Love, Coco

“ To the family of my Comadre Velia Flores. Please accept my deepest sympathies and condolences in the passing of your mom. I have known her a very long time and saw her at Velia's house a couple of years ago when she was staying there. She was always very nice and sweet to me.
May she rest in peace in the arms of our lord and may you all find peace in the memories she has left.
God Bless You All
