Michelle was born into this world on March 17th, 1955 at 11:44 AM at Physicians and Surgeons Hospital in Glendale, Ca. She was the daughter of Frederick and Marilyn Moon.

She was married to Jeffery C. Hughes on July 23rd, 1988. Michelle worked as a cashier at Foothill Volkswagen in La Canada for 3 years where her husband worked as a mechanic for seven years. She is survived by Sister Caryn Williams, her two wonderful children, Christopher Scott Hughes and Lauren Michelle Harmon, Michelle was a wonderful Grandmother who adored her Grandsons James Michael and William Phillip Harmon. Her Grandsons were a giant part of her every day life as she would babysit them while mom was at work. She loved them very much and they love her very much. She was "Nana" to them. Michelle loved being "Nana".

Michelle was a loving person who always put other peoples' concerns ahead of her own thus never wanting to inconvenience anyone. She always loved her children more than anything else in the world! In fact, they were her world!

"The candle that is her life will forever warm our hearts.
