“ Monica will be missed and I will love her forever. She was a great friend and colleague. I worked with Monica for many years starting in 1999. I will miss her beautiful smile and kind soul. She was always positive, kind, and always had a great disposition. She and I worked closely together in Children and Family Services in Orange County. She helped many families and children in need. Everyone who knew Monica always said two things. She was kind and smart. I will remember her always. Rest in Peace my friend. Till we meet again. Love Alice Apodaca.
