Sweet vale of Avoca! How calm could I rest
In thy bosom of shade, with the friends I love best,
Where the storms that we feel in this cold world should cease,
And our hearts, like the waters, be mingled in peace.

“ *There are few people whose Irish eyes were always smiling and Patrick's eyes always were. He made our family's Irish hearts happy and we know the road has already risen to meet him. A great man who will be missed and always remembered.*
