“ *Cuñado, what can I say....You & Rory were always our favorite couple to hang out with. Whether it was BBQing in your backyard (until the sun came up) while having a Few brews, or meeting in Vegas, Laughlin, Port Aransas , or surprising you while you were camping close to the beach and we were passing by coming from San Diego. The four of us always had a great time, regardless of where we met up. I will forever miss you and my sister Rory, since you have always been my favorites. You are now back with your true ❤️ love and both of you are at peace. I know you are smiling down at us and keeping watch. We will miss you dearly. Love 💕 you both, Rory & Rudy.*

“ *My deer brother-in-law I have so many memories of our family gatherings. One that stands out is when Ralph & I went to visit you & Rory. First impression of Ralph...we drank so much @ the Pier...that all the way to your home you had to make quick stop due to Ralph having to throw up. We all laughed so much. Then you fell off the RV & next morning you made the RV shake, Ralph & I had such a bad hang over. Thanks for all the fun times. I will miss you & Rory forever. Love you!*

“ *I am so sorry for your loss! I am so sad to lose my brother. He was always so funny when we would be together. He was witty, smart, caring in his own way, and a very hard worker. I will miss him very much! Til we meet again!*
