“ *My Tia Stella was one of the funniest people to be around there was never a dull moment with her. I have so many memories of that crazy funny lady. I grew up with her being the first grandchild born in the family. She dragged me around up and down the block visiting all her friends. She knew everyone and everyone knew her. That lady had rhythm and could dance....our song was Got to give it up by Marvin Gaye. Tia every time I hear that song I will think of you. Kiss my girls for me, dance with them like you danced with me. I love you always, Cyndirella,*
