“ *My beautiful Tia, I will miss you but am so comforted to know that you are back in Tio's arms, dancing in Heaven. You are one of the most beautiful and gracious women, I will ever know. You loved everyone and everyone you met loved you. You had such a comforting way about you, the quintessential mother of all. Your smile was so big and bright and your laugh, oh your sweet laugh was infectious. I have 58 years of memories with you and I will carry them with me always. Thank you for being my Tia and loving Matt the way you did. He loved you the first time he met you, when you scolded me for not serving him first at a family get together! Watching you with Tio was the most amazing thing, your love for him and his for you, was something to behold....it is forever etched in my heart. We love you and will miss you, but we will celebrate you and your life, today and always. Love always, Matt & Nancy Wright*
