“ My auntie Tina was the fun to be around auntie a person would ever want to have ,especially growing up with her in your life was always fun,because there was always a smile on her face and we always knew she cared a lot about family and people in general. I will remember my auntie as a very giving and loving person especially in helping myself and becky getting a place to live and also knowing she would give her last penny to even a stranger. I will always admire the time she rode with my and Melanie back home from Bakersfield and my car overheated and we pulled to the side next to another vehicle with problems and she saw a lady in back seat sweating up a storm and even knowing we were with no a/c in our car gave that woman without hesitation the rest of her bottled water. To Louis ,Bridgette and family I am grateful for having your mother for my aunt and u as cousins because your mother taught me a lot about keeping a smile on your face even through the pain and giving to others even when you have little. I will really miss her and love her always. Love you guys. Jeff ruiz

“ Auntie Tina, She was my Flower, full of life, music & dance. She had such a positive outlook on things in this World. There is not one memory from a child to now as a woman where I remember my Auntie ever not smiling, singing and dancing. She was courageous, funny, happy and entertaining with such grace and sophistication. I looked up to her and admired her ambition and loved her to death. I have so many loving and hilarious moments and memories with her. I wouldn't trade it for the World. My heart is broken, but I know now that she is no longer suffering and she's dancing with the Angels. Auntie Tina you were an AWESOME woman and I am blessed to have been touched by your light and loved by your heart. I will miss you endlessly and I will forever keep you in my heart and cherish all our moments together. I love you past the sky my flower.....Dance on Auntie and do the Dlp :-) muah!!

“ Dear Tina,

Though we were merely neighbors, you took me under your wings. You treated me like your son. You cared about me, and my family. I wish they had a chance to know you. Like you said, you are my Mexican Mom. Thank you for always being there and always being you. I will miss you.

Rest in peace, mama.

“ Dear Tina, thank you for being you and for sharing your smile and laughter. As neighbors we used to hang out in the carport after work and review the day. You eventually introduced me to your friend Jocelyn who became my wonderful wife. You are the reason we met and I'm grateful. With sadness and happy memories we say goodbye and keep our thoughts with Tina's family during this difficult time. Rest in peace dear Tina.

“ I loved my auntie soo very much. Lots of memories and I will cherish them for as long as I am capable (lol). One of my most fav memories is when I was young...not even a teen, our fam was driving somewhere in Bako...we were at a stop light and a song came on the radio that Tina really liked. She got out of the car and started dancing in the street. She was a crazy-fun aunt and I miss her terribly. Rest in peace auntie.

“ I am so sorry to hear about Tina's passing. We were good friends and ran around crazy in our freshman year at EBHS. We did things I can laugh about today! I only wish I would of stayed in contact. My prayer is that you have peace and comfort through the loss of Tina.
